FLORIDA INTERNATIONAL UNIVERSITY

50TH ANNIVERSARY OF NURSING AT FIU

Our **50th Anniversary of Nursing at FIU** engagement campaign will compile a unique oral history archive, uniting FIU Nicole Wertheim College of Nursing & Health Sciences alumni across generations, geography, and life experiences.

We have partnered with Publishing Concepts (PCI) to help collect stories from as many alumni as possible and produce the **2023 FIU College of Nursing Oral History Publication, 50th Anniversary Edition**.

By sharing your memory, you'll ensure that the rich history of **FIU Nursing** will be preserved for generations to come.

Please call 1-877-706-7650 to speak with a PCI associate during the following business hours:
8:00 AM – 10:00 PM EDT

Thank you for your participation!
