40. Liller KD, Morris B, **Konin J,** Jang S, Wong S, Thorson S, & the SMART ATC Team. Results of the SMART Injury Surveillance Registry for high school athletes in west-central Florida: Year three findings. Presented at the 2011 Joint Annual Meeting of the Safe States Alliance, Society for Advancement of Violence and Injury Research, and CDC Core I & II State Injury Grantees held in Coralville, IA. (April 2011)
39. Yasher K, Liller K, Jang S, Morris B, **Konin JG.** An analysis of volleyball injuries in female athletes in grades nine through twelve. Presented at the National Conference on Undergraduate Research 2011, held in Ithaca, NY (April 2011)
38. **Konin JG,** Pisoni D, Latimer M, Danelon F, Sayers A, Rivaroli S. Comparison of body fat composition between American and Italian Women Football. Presented at the XIX International Congress on Sports Rehabilitation and Traumatology, held in Bologna, Italy (March 2011)
37. Jang MA, Liller KD, **Konin JG,** Morris BJ, Wong S. Incidence of Concussion among High School Athletes: A Pilot Study. Presented at USF Health Research Symposium, Tampa FL (Feb 2011)
36. Yasher K, Liller K, Jang S, Morris B, **Konin JG.** Developing an injury tracking software system for volleyball: a case example. Presented at the 2011 FIVB Volleyball Sports Medicine Congress held in Slovenia (January 2011)
35. Yasher K, Liller K, Jang S, Morris B, **Konin JG.** An analysis of volleyball injuries in female athletes in grades nine through twelve. Presented at the 2011 FIVB Volleyball Sports Medicine Congress held in Slovenia (January 2011)
34. Parikh, V & **Konin JG.** Safety on ankle range-of-motion exercises. Presented for student poster competition at the Florida Chapter of the American College of Physicians (FLACP) held in Orlando, FL (March 2010)
33. Witnauer A, Ruhmel S, **Konin JG.** Quantitative Approach in Comparing Back-to-Back Games With Performance in the National Hockey League's 2008-2009 Regular Season. Presented at USF Health Research Symposium, held in Tampa, FL (Feb 2010)
32. Johnson N, **Konin JG.** Body Mass Index for Major League Baseball. Accepted for presentation at the World Federation of Athletic Training and Therapy International Conference held in San Antonio, TX (June, 2009) – Declined to attend.

31. Koike K, **Konin JG**. Body Mass Index for Women's Professional Soccer Players. Accepted for presentation at the World Federation of Athletic Training and Therapy International Conference held in San Antonio, TX (June, 2009) – Declined to attend
30. **Konin JG**, Johnson M, Hori M. The Relationship between Foot Pronation and Anterior Tibial Translation of the Knee in College Gymnasts. Accepted for presentation at the World Federation of Athletic Training and Therapy International Conference held in San Antonio, TX (June, 2009) – Declined to attend.
29. Coris EE, Shabnam M, Walz S, Zwygart K, Nugent D, Pescasio M, **Konin JG**. Heat Illness Symptom Index Scale In Football Players Predictive Of Elevated GI Temperature In Subsequent Practice. Presented at the American College of Sports Medicine Annual Meeting held in Seattle, WA (May 2009)
28. **Konin JG**, Koike K. Body Mass Index for Women's National Basketball Association Players. Presented at the American College of Sports Medicine Annual Meeting held in Seattle, WA (May 2009)
27. Koike K, **Konin JG**. Characteristics of Body Mass Index for Women's Professional Volleyball. Presented at the American College of Sports Medicine Annual Meeting held in Seattle, Washington (May 2009)
26. Coris EE, Sahebzamani F, Naidoo K, Reese E, Walz S, **Konin JG**, Jennings J, Nugent D, Zwygart K, Pescasio M, Anne Curtis A. Non-Invasive Pre-Participation Cardiac Screening in Division I Athletes. Presented at the American Medical Society for Sports Medicine Annual Meeting held in Tampa, FL (April 2009)
25. Liller K, Morris BJ, **Konin JG**, Jang SW, Kadel R. Development of the SMART Injury Registry for Adolescents. Presented at the Alliance for Allied Health, Physical Education, Recreation & Dance annual conference held in Tampa, FL (April 2009)
24. Graulich I, **Konin JG**, Morris BJ, Liller K. Flag Football: An Emerging Sport for High School Females. Presented to the National Association for Girls and Women in Sport Association in association with the Alliance for Allied Health, Physical Education, Recreation & Dance annual conference held in Tampa, FL (April 2009)
23. Dhanani A, Duda A, Bodkin D, McClean S, **Konin JG**. Cost Effectiveness of EKG's. Presented at University of South Florida Health Research Day held in Tampa, FL (February 2009)
22. Graulich I, **Konin JG**, Morris BJ, Liller K. Flag Football: An Emerging Sport for High School Females. Presented at University of South Florida Health Research Day held in Tampa, FL (February 2009)
21. Cuppett M, Morris BJ, **Konin JG**, Coris E, Bognar BA. Integrating Athletic Training Faculty Into Medical Student's Musculoskeletal Learning & Assessment. Presented at the 2009 National Athletic Trainers' Association Education Conference, held in Washington, D.C. (February 2009)
20. **Konin, JG**, Albohm, Thompson J, Campbell D, Vanguri P. Reimbursement for athletic training educators through a distance education model. Presented at the 2008 MERLOT conference to be held in Minneapolis, MN. (August 2008)
19. **Konin JG**, McCoy M, Rosendale A. Effects of oral contraceptives and athletic injury. Presented at 2008 World Congress on Sports Injury Prevention held in Tromso, Norway (June 2008)
18. **Konin JG**, Meredith J, Goodstein B. Body mass index for professional soccer players. Presented at 2008 World Congress on Sports Injury Prevention held in Tromso, Norway (June 2008)
17. **Konin JG**, Koike K, Meredith J, Goodstein B. Comparison of BMI between university and professional soccer players. Presented at 2008 World Congress on Sports Injury Prevention held in Tromso, Norway (June 2008)
16. **Konin JG**, Burtman K, Hudson J. The Relationship between Body Mass Index, Body Weight Perception, and Menstrual Cycle in female Athletes. Presented at the 2006 American College of Sports Medicine Annual Meeting held in Indianapolis, IN (May 2008)

15. Coris EE, Mehra S, Walz S, Pescasio M, Abrams K, Cuppett M, Morris B, **Konin JG**. Heat Illness in Elite Football Players. Presented at the 2006 American College of Sports Medicine Annual Meeting held in Indianapolis, IN (May 2008)
14. **Konin JG**, Griffiths A. Trends in BMI for Olympic Ice Hockey Players. Presented at the XVII International Congress on Sports Rehabilitation and Traumatology held in Bologna, Italy (April 2008)
13. Norberg J, **Konin JG**. Differential Diagnosis: Renal Traumatology Disguised as Fatigue in a Female Athlete. Presented at the XVII international Congress on Sports Rehabilitation and Traumatology held in Bologna, Italy (April 2008)
12. Liller K, Morris BJ, **Konin JG**, Cuppett M, Jang S, Thorson S. The Development of a Sports Injury Surveillance Registry for Adolescents. Presented at the American Academy of Health Behavior Meeting held in Oxnard, CA (March 2008)
11. Liller K, Morris BJ, **Konin JG**, Cuppett M, Jang S, Thorson S. The Development of a Sports Injury Surveillance Registry for Adolescents. Presented at University of South Florida Health Research Day held in Tampa, FL (February 2008)
10. **Konin JG**, Koike K. Body Mass Index in Men's Collegiate Athletics Compared between University and Conference Teams. Presented at University of South Florida Health Research Day held in Tampa, FL (February 2008)
9. Cantor, E, **Konin JG**. Body Mass Index for FIFA World Cup Professional Soccer Players. Presented at University of South Florida Health Research Day held in Tampa, FL (February 2008)
8. Cuppett M, Morris BJ, Coris EE, Wallach PM, Bognar B, **Konin JG**. Integrating Athletic Training Education Faculty into Medical School Students' Musculoskeletal Learning & Acquisition Assessment. Presented at Southeast Athletic Trainers' Educator's Conference, Atlanta, GA (February 2008)
7. **JG Konin**, S Firebaugh, P Maxwell. Establishing an Athletic Training Fellowship to Enhance the Graduate School Experience. Poster presentation at the National Athletic Trainers' Association Professional Educators' Conference, Dallas, TX (January 2007)
6. **JG Konin**, L Nof, BA Melzer, E Swann. The Relationship between Anterior Tibial Translation and Navicular Drop in Female Gymnasts. Poster presentation at Physical Therapy 2006: Annual Conference & Exposition of the American Physical Therapy Association, Orlando, FL (June 2006)
5. **JG Konin**, MD Miller. Implementation of Joint Mobilization to a Division I Male Swimmer Following a Traumatic Clavicular Fracture. Poster presentation at Physical Therapy 2006: Annual Conference & Exposition of the American Physical Therapy Association, Orlando, FL (June 2006)
4. **JG Konin**. Body Mass Index Measurement: Is it Accurate for 2002 Men's Olympic Ice Hockey Players? Invited poster presented at the XV Congress on Sport Rehabilitation and Traumatology held in Turin, Italy (April 2006)
3. **Konin JG**, Firebaugh S. Instructional Challenges Associated with Computer-Based Concussion Assessment Testing. Invited poster presented at the XV Congress on Sport Rehabilitation and Traumatology held in Turin, Italy (April 2006)
2. **Konin JG**. Effects of Ankle Position, Muscle Contraction, and Muscle Elongation on Anterior Translation of the Tibiofemoral Joint. Invited poster presented at the 1st World Congress on Sports Injury Prevention, Oslo, Norway (June 2005)
1. **Konin JG**, Amato HK, Brader H. On-Line Enhancement of Clinical Education Interaction. NATA Educators Conference, Montgomery, TX (January 2003)

Platform Presentations

11. **Konin JG**, Clancy D, Busa MF. Labyrinthine Concussion in an American College Football Player. Presented at the Isokinetic Congress for Football Medicine held in Webley Stadium, London, UK, April 2019.
10. Jang S, Liller K, Baldwin J, Zhu Y, VandeWeerd. **Konin J**. High School Coaches' Training/Education Experience Regarding Sports Injury Prevention. Presented at the American Public Health Association Annual Meeting, held in New Orleans, LA (November 2014)
9. Konin J. Development of a Web-based Educational Program for Risk Management of Concussions. Presented at the EFSMA European Sports Medicine Congress, held in Salzburg, Austria (October 2011)
8. **Konin J**. Anatomical Variations of the Vastus Medialis Muscle. Presented at the EFSMA European Sports Medicine Congress, held in Salzburg, Austria (October 2011)
7. **Konin J**. A Novel Approach to Acute Ankle Sprain Alphabet Exercises. Presented at the EFSMA European Sports Medicine Congress, held in Salzburg, Austria (October 2011)
6. Jang, S., Liller, K.D. Morris, B., **Konin, J.**, & Wong, S. Data Analysis of the SMART Sports Injury Registry for high school athletes. Safety 2012 World Conference, Wellington, New Zealand, October 2, 2012.
5. Jang, S., Liller, K.D., **Konin, J.**, Morris, B., & Wong, S. Sports-related Concussion among high school athletes in West-Central Florida. Safety 2012 World Conference, Wellington, New Zealand, October 2, 2012.
4. Cardinal K, Tremble C, Walz S, Pescasio M, Nofsinger C, Shames M, **Konin JG**. Unexplained Onset of Shoulder Symptoms in a Collegiate Baseball Athlete. Presented at the Southeast Athletic Trainer's Association Student Meeting held in Atlanta, GA (February 2009)
3. Weniger J, Weniger G, **Konin JG**. Posterior Sternoclavicular Dislocation in a Field Hockey Player. Presented at the XVII International Congress on Sports Rehabilitation and Traumatology held in Bologna, Italy (April 2008)
2. Firebaugh SM, Norberg JD, **Konin JG**, Knitter DS. Type IV Lupus Nephritis in a Female Collegiate Softball Player. Invited platform presentation at the national Athletic Trainers' Association Annual Meeting & Clinical Symposium held in Atlanta, GA (June 2006)
1. **JG Konin**, CR Denegar, DH Perrin. Effects of Dehydration on Concentric and Eccentric Strength of the Elbow Flexor and Knee Extensor Muscle Groups. National Athletic Trainers' Association Annual Meeting free communication abstract, Indianapolis, IN (June 1990)

Invited Lectures

75. Fiscal Stability – The Gap Between Curriculum and Practice. To be presented at Innovate Athletic Training Summit, to be held in Tulsa, OK (Feb 2020)
74. Cannabis and Athletics. To be presented to the Saint Leo Athletic Department and student athletes held at Saint Leo University, in Saint Leo, FL (Jan 2020)
73. Cannabis and Physical Therapy. To be presented at the Florida Physical Therapy Association Student Conclave meeting, to be held in Tallahassee, FL (Jan 2020)
72. Cannabis: What the Athletic Trainer Needs to Know. Presented on-line for North Dakota State University (Oct 2019)
71. Cannabis 2020: What the Healthcare Provider Needs to Know. Presented at Florida International University, held in Miami, FL (Oct 2019)

70. Vestibular Rehabilitation following Concussion. Invited presentation for Clover Enterprises, held in Riverside, CA (July 2019)
69. Legal Liability Toolkit and Sexual Harassment. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2018)
68. Contemporary Issues in Sports Concussion. Invited presentation for the 20th Annual Distinguished Lecture Series, Delaware Tech, held in Georgetown, DE (October 2017)
67. Importance of faculty mentoring on professional development: perspectives from the administrator. Invited presentation for the NATA Annual Meeting and Clinical Symposia, keynote presentation for the NATA Foundation Faculty Mentor Program held in Houston, TX (June 2017)
66. How to Relocate Efficiently. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2017)
65. Rehabilitation and Bracing of Hand and Wrist Injuries. Invited presentation for the ACSM Team Physician Course, Part II, held in Jacksonville, FL (February 2016)
64. Writing an Effective Physical Therapy Prescription. Invited presentation for the ACSM Team Physician Course, Part II, held in Jacksonville, FL (February 2016)
63. Physical Therapy Modalities for the Office. Invited presentation for the ACSM Team Physician Course, Part II, held in Jacksonville, FL (February 2016)
62. Core Strengthening: Importance to Upper Extremity Rehabilitation. Invited presentation for the ACSM Team Physician Course, Part II, held in Jacksonville, FL (February 2016)
61. Home Exercise: Program for the Shoulder. Invited presentation for the ACSM Team Physician Course, Part II, held in Jacksonville, FL (February 2016)
60. Physical Therapy: How to use, what to expect, how to order. Invited presentation for Johnson & Wales Physician Assistant Program held in Providence, RI (October 2015)
59. Challenges Associated with Concussion Education Programs. Invited presentation for New England Region American College of Sports Medicine Annual Conference held in Providence, RI (November 2014)
58. Challenges Associated with Concussion Education Programs. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2014)
57. Do sports medicine providers know what is best? Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2013)
56. Hazing, sexual abuse & whistle blowing. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2012)
55. Physical therapy modalities. Invited presentation for the ACSM Team Physician Course, Part II, held in San Antonio, TX (February 2012)
54. Functional anatomy of the hand & wrist. Invited presentation for the ACSM Team Physician Course, Part II, held in San Antonio, TX (February 2012)
53. Core instability stabilization. Invited presentation for the ACSM Team Physician Course, Part II, held in San Antonio, TX (February 2012)
52. Home exercise program for the shoulder. Invited presentation for the ACSM Team Physician Course, Part II, held in San Antonio, TX (February 2012)
51. Home exercise program for the shoulder. Invited presentation for the ACSM Team Physician Course, Part II, held in San Antonio, TX (February 2012)
50. Ankle rehabilitation. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2011)
49. Concussions – how to protect the practitioner. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2011)
48. Core instability/stabilization. Invited presentation for the ACSM Team Physician Course, Part II, held in San Diego, CA (February 2011)

47. Rehabilitation of knee and leg injuries. Invited presentation for the ACSM Team Physician Course, Part II, held in San Diego, CA (February 2011)
46. Rehabilitation and prevention of hip and groin injuries. Invited presentation for the ACSM Team Physician Course, Part II, held in San Diego, CA (February 2011)
45. Core Strengthening: Importance to Upper Extremity Rehabilitation. Invited presentation for the ACSM Team Physician Course, Part II, held in Las Vegas, NV (February 2010)
44. Physical Therapy Modalities for the Office. Invited presentation for the ACSM Team Physician Course, Part II, held in Las Vegas, NV (February 2010)
43. Functional Anatomy of the Hand & Wrist. Invited presentation for the ACSM Team Physician Course, Part II, held in Las Vegas, NV (February 2010)
42. Physical Therapy Techniques. Invited workshop for the ACSM Team Physician Course, Part II, held in Las Vegas, NV (February 2010)
41. Treatment of the Young Athlete. Invited presentation for North Iowa Area Community College held in Mason City, IA (November 2009)
40. Treatment of the Young Athlete. Invited presentation for the 12th Annual Distinguished Lecture Series, Delaware Tech, held in Georgetown, DE (October 2009)
39. Contemporary Approaches to Treating Patellofemoral Pain. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2009)
38. Revenue Generating Performance Programs. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2009)
37. Prevention of Injuries to Throwers through the Core & Hip. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2009)
36. Core Instability & Stabilization. Invited lecture presented at the Team Physician Course - Part II, Orlando, FL (February 2009)
35. Rehabilitation of Knee & Leg Injuries. Invited lecture presented at the Team Physician Course - Part II, Orlando, FL (February 2009)
34. Rehabilitation & Prevention of Hip and Groin Injuries. Invited lecture presented at the Team Physician Course - Part II, Orlando, FL (February 2009)
33. Using Musculoskeletal Ultrasound to Assess Soccer Related Injuries. Invited lecture and workshop presented at the Soccer Industry Medical Symposium for Major League Soccer held in Fort Lauderdale, FL (January 2009)
32. Team Physicians Don't Take These Items for Granted. Invited presentation at Behind the Scenes as a Team Physician Course, Tampa, FL (January 2009)
31. Rehabilitation of Youth Sports Injuries. Invited presentation at Practical Pediatrics: Sports Medicine, sponsored by All Children's Hospital of St. Petersburg Florida held in Brandon, FL (August 2008)
30. Entrepreneurial Opportunities; Taking Advantage of Community Partnership. Invited presentation at Practical Applications in Sports Medicine held in Palm Springs, CA (June 2008)
29. Engaging Methods to Enhance Exercise Compliance. Invited presentation at Practical Applications in Sports Medicine held in Palm Springs, CA (June 2008)
28. Physical Therapy- How to use, what to expect, how to order. Presented at Practical Orthopaedics and Sports Medicine for Primary Care, Clearwater, FL (February 2008)
27. Critical Analysis of Special Tests. Presentation for Behind the Scenes as a Team Physician Course, Tampa, FL (January 2008)
26. Protecting the Team Physician. Invited presentation for Behind the Scenes as a Team Physician Course, Tampa, FL (January 2008)
25. Team Physicians Don't Take These Items for Granted. Invited presentation for Behind the Scenes as a Team Physician Course, Tampa, FL (January 2008)

24. Using a Heat Pill to Prevent and Manage Dehydration. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2007)
23. Clinical Examination Lab of the Shoulder. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2007)
22. The Complex Shoulder: Using Evaluative Tests That Work. Invited presentation for Annual Practical Applications in Sports Medicine Conference held in Palm Springs, CA (June 2007)
21. Youth Sports Injuries. Invited speaker at the South East Athletic Trainers' Association Annual Conference, presented in Franklin, TN (March 2007)
20. Implementation of a Crisis Intervention Program for Amateur Athletes. Presented at the Art and Science of Sports Medicine Symposium, University of Virginia, Charlottesville, VA (June 2006)
19. Rehabilitation of the Throwing Shoulder. Eastern Athletic Trainers' Association, Boston, MA (January 2006)
18. Working in the Training Room – Why Can't We all Just Get Along? Presented at the Advanced Team Physician Course sponsored by the American Orthopedic Society for Sports Medicine, Miami, FL (December 2004)
17. Billing in the Training Room. Presented at the Advanced Team Physician Course sponsored by the American Orthopedic Society for Sports Medicine, Miami, FL (December 2004)
16. Protective Equipment- A Trainer's Perspective. Presented at the Advanced Team Physician Course sponsored by the American Orthopedic Society for Sports Medicine, Miami, FL (December 2004)
15. Return to Play. Moderator at the Advanced Team Physician Course sponsored by the American Orthopedic Society for Sports Medicine, Miami, FL (December 2004)
14. Lessons Learned – Or, I Wouldn't Do That Again. Presented at the Advanced Team Physician Course Sponsored by the American Orthopedic Society for Sports Medicine, Miami, FL (December 2004)
13. Knowing Your Resources and Becoming a Politician. Presented at the Advanced Team Physician Course sponsored by the American Orthopedic Society for Sports Medicine, Miami, FL (December 2004)
12. Pre-Participation Physicals- Who's in and Who's Out? Presented at the Advanced Team Physician Course sponsored by the American Orthopedic Society for Sports Medicine, Miami, FL (December 2004)
11. Contemporary Approaches to Rehabilitation of the Shoulder. Distinguished Lecture Series, sponsored by Delaware Tech, Georgetown, DE (6 hours, October 2002)
10. Critical Analysis of Commonly Used Evaluative Techniques. Distinguished Lecture in Sports Medicine, sponsored by the University of Alabama and The DCH Health System, Tuscaloosa, AL (March 2002)
9. 5 Reasons to Change Your Patellofemoral Rehabilitation Program. Practical Applications in Sports Medicine, Palm Springs, CA (June 2001)
8. Rehabilitation of ACL Injuries. Practical Applications in Sports Medicine, Palm Springs, CA (June 2000)
7. Marketing Yourself. District Four Athletic Trainers' Association, Indianapolis, IN (March 1999)
6. Reimbursement Update. Sponsored by Eastern Athletic Trainers' Association, Philadelphia, PA (January 1999)
5. Clinical Examination of the Hand & Wrist. Sports Medicine Conference, West Chester University, West Chester, PA (December 1996)
4. Prevention and Management of Rotator Cuff Injuries. Dana Clarke Lecture Invited Speaker, Eastern Connecticut State University, Willimantic, CT (April 1992)
3. Importance of the Pre-Injury Data Collection. Injuries in Baseball Course, Birmingham, AL (January 1992)
2. Interval Throwing Programs. Injuries in Baseball Course, Birmingham, AL (January 1991)
1. Hand & Wrist Injuries in Baseball. Injuries in Baseball Course, Birmingham, AL (January 1991)

Invited International Presentations

10. The Future of Cannabis in Sport Rehabilitation: Is there a place? Presented at the Medica Medicine & Sports Conference to be held in Dusseldorf, Germany (Nov 2019)
9. Knowledge transfer of research to clinical practice for sport related concussions. Presented at “Sports Therapy, Physical Activity and Health Research Groups: Translating Research into Practice”, held in London, UK at the University of Kent (July 2017).
8. Core Stability and Kinetic Chain. Invited presentation at the XXI Congress on Sport Rehabilitation & Traumatology, “Football Medicine Strategies for Knee Injuries Theme”, held in London, England (April, 2012)
7. Injury Prevention in Young Football Players. Invited presentation at the XX Congress on Sport Rehabilitation & Traumatology, “Health for the Football Player Theme”, held in Bologna, Italy, (March, 2011)
6. Method of Assessment of Functional Outcomes. Invited moderator for XIX Congress on Sport Rehabilitation & Traumatology, held in Bologna, Italy (April 2010)
5. Posttraumatic knee at sportsmen- evaluation, recovery, return to sportive activity. Presented at the 2nd International Conference – Physical Exercises, A Complex and Modern Way to Promote Healthy Living, held at the University of Craiova, Craiova, Romania (October 2009)
4. Muscle Strength Recovery. Presented at the XVIII Congress on Sport Rehabilitation & Traumatology, held in Bologna, Italy, (April 2009)
3. Implementation of a Crisis Intervention Program for Amateur Athletes. Presented at the XV Congress on Sport Rehabilitation and Traumatology, held in Turin, Italy (April 2006)
2. Clinical Examination of the Hip & Knee. Sponsored by Continuing Education Network as part of “The Lower Limb Symposium”, held in Auckland, New Zealand (July 1999)
1. Clinical Examination of the Hip & Knee. Sponsored by Continuing Education Network as part of “The Lower Limb Symposium”, held in Melbourne, Australia (June 1999)

Invited National Presentations

50. Cannabis and the professional hockey player. To be presented at the Professional Hockey Athletic Trainers’ Society Annual Conference, to be held in Orlando, FL (June 2020)
49. Cannabis and athletic training. To be presented at the Student Session for the National Athletic Trainers’ Association Annual Meeting to be held in Atlanta, GA (June 2020).
48. Cannabis and athletics in 2020. To be presented at the American College of Sports Medicine Annual Meeting to be held in San Francisco, CA (May 2020)
47. The Future of Concussion Management: Does cannabis Play a Role? Invited presentation at the American Congress of Rehabilitation Medicine held in Chicago, Illinois (Nov 2019)
46. Cannabis and Athletics: The Impact in 2020. Invited presentation at the Cannabis Science Conference held in Portland, Oregon (Sept 2019)
45. Cannabis and Sports Medicine. Invited presentation/panel discussant held at the United States Cannabis Conference in Miami, Florida (Aug 2019)
44. Professional Integrity in Scholarly Writing. Invited presentation for the National Athletic Trainers’ Association Annual Meeting held in Las Vegas, Nevada, (June 2019)

43. Vestibular Rehabilitation Following a Sports Concussion. Invited presentation for the American College of Sports Medicine Annual Meeting held in Orlando, FL (May 2019)
42. Rev Up Your Engines: Innovative Approaches to Networking. Invited presentation at the APTA National Student Conclave, to be held in Providence, Rhode Island (October 2018)
41. Unique Perspective: A comprehensive debate relative to minimizing legal risk in athletic training. Co-presented with R. Cohen & M. Mitten at the NATA Annual Meeting and Clinical Symposia, held in New Orleans, LA (June 2018)
40. Lawsuits: How can athletic trainers minimize risk? Co-presented with R. Cohen at the NATA Annual Meeting and Clinical Symposia, held in New Orleans, LA (June 2018)
39. Rev Up Your Engines: Innovative Approaches to Networking. Invited presentation at the APTA National Student Conclave, held in Portland, Oregon (October 2017)
38. Challenges Associated with Delivering Concussion Education Programs. Invited presentation for the NATA Annual Meeting and Clinical Symposia, held in Houston, TX (June 2017)
37. Reducing Exposure to Risk & Liability. Invited presentation for the NATA Annual Meeting and Clinical Symposia, held in Houston, TX (June 2017)
36. Clinical Exam of the Wrist & Hand. Invited presentation for the American College of Sports Medicine Annual Meeting held in Denver, CO (June 2017)
35. Challenges Associated With Delivering Concussion Education Programs. Invited presentation for the American College of Sports Medicine Annual Meeting held in Boston, MA (June 2016)
34. Effective Fundraising Methods. Invited presentation for the NATA Annual Meeting and Clinical Symposia, held in St. Louis, MO (June 2015)
33. Clinical Assessment and Treatment of the Scapulothoracic Joint. JG Konin & J Manning. Invited presentation for the American College of Sports Medicine Annual Meeting held in San Diego, CA (June 2015)
32. Video Analysis, Kinetic Chain, Youth Pitchers: What Your Physical Exam Won't Tell You. P Kriz, D Bien, and JG Konin. Invited presentation for the American College of Sports Medicine Annual Meeting held in San Diego, CA (June 2015)
31. Post Professional Residency Program. Invited presentation at the NATA Annual Meeting and Clinical Symposia, New Orleans, LA (June 2011)
30. Scapulothoracic Clinical Workshop. Invited presentation at the American College of Sports Medicine Annual Meeting held in Denver, CO (June 2011)
29. Team Doctor Administration Issues. Invited presentation at the American Osteopathic Academy of Orthopedics Annual Meeting, held in San Francisco, CA (October 2010)
28. ACL Prevention Program. Invited presentation at the American Osteopathic Academy of Orthopedics Annual Meeting, held in San Francisco, CA (October 2010)
27. Active Rehabilitation Techniques for the Care of Shoulder Injuries in Sports. Invited lecture at the Sports Medicine Symposium: The Shoulder, sponsored by the United States Olympic Committee Sports Medicine/Performance Division, held in Colorado Springs, CO (Aug 2010)
26. Musculoskeletal Ultrasound. Invited workshop presented at the National Athletic Trainers' Association Annual Meeting held in Philadelphia, PA (June 2010)
25. Safe Sports: An Update on Equipment Safety. Invited clinical lecture for the American College of Sports Medicine Annual Meeting held in Baltimore, MD (June 2010)
24. Scapulothoracic Joint Management to Reduce Shoulder Injuries in Overhead Activity. Invited tutorial lecture for the American College of Sports Medicine Annual Meeting held in Baltimore, MD (June 2010)
23. Clinical Use of Musculoskeletal Ultrasound. Invited feature session presented at the NATA Annual Meeting and Clinical Symposia, San Antonio, TX (June 2009)

22. Orthopedic Special Tests for the Shoulder: A Practical Exam. Hands-on workshop presented for the American College of Sports Medicine Annual Meeting held in Seattle, WA (May 2009)
21. Emergency Preparedness: Are You Ready? Morris BJ & Konin JG. Lecture presented for the American Association for Physical Activity and Recreation as part of the Alliance for Allied Health, Physical Education, Recreation & Dance annual conference held in Tampa, FL (April 2009)
20. Current Trends in Youth Sports Injuries. ½ day workshop presented for the National Association for Sport & Physical Education as part of the Alliance for Allied Health, Physical Education, Recreation & Dance annual conference held in Tampa, FL (April 2009)
19. Successful Interventions to Prepare for Promotion & Tenure that are not Taught in Graduate School. Workshop presented at the NATA Educators Conference, Washington, DC (February 2009)
18. Financial Implications for the Team MD. Invited presentation at the American Osteopathic Academy of Orthopedics Annual Meeting, held in Chicago, IL (October 2008)
17. Communication with the Team Physician. Invited presentation at the American Osteopathic Academy of Orthopedics Annual Meeting, held in Chicago, IL (October 2008)
16. Developing a Crisis Intervention Team in a University Setting. Workshop presented at the NATA Annual Meeting and Clinical Symposia, Anaheim, CA (June 2007)
15. Establishing and Operating a Crisis Intervention Program at A Division I University for Managing Physical & Psychological Issues for facing Student Athletes. Presented at Physical Therapy 2006: Annual Conference & Exposition of the American Physical Therapy Association, to be held in Orlando, FL (June 2006)
14. Leadership Skills to Facilitate Clinical Opportunities. Workshop presented at the 2006 NATA Annual Meeting and Clinical Symposia, Atlanta, GA (June 2006)
13. Professional Networking. Sponsored by the National Athletic Trainers' Association, Baltimore, MD (June 2004)
12. Distance Learning: Pedagogy and Courseware Considerations. Wright KE, Konin JG, Wright VH, Lucas S. 2003 NATA Annual Meeting and Clinical Symposia, St. Louis, MO (June 2003)
11. Fiscal Survival in the Athletic Training Room in the 21st Century. Lesh S, Konin JG. 2003 NATA Annual Meeting and Clinical Symposia, St. Louis, MO (June 2003)
10. Learning Over Time: The Big Picture. Amato HK, Konin JG, Brader H. NATA Educators Conference, Montgomery, TX (January 2003)
9. The Growth of Opportunity: Entrepreneurial Opportunities. Konin JG. Sponsored by the Orthopaedic section of the American Physical Therapy Association. Combined Sections Meeting, Boston, MA (February 2002)
8. Utilizing Resources for Reimbursement. Sponsored by the National Athletic Trainers' Association Annual Meeting, Los Angeles, CA (June 2001)
7. Clinical Examination of the Wrist & Hand. Sponsored by the National Athletic Trainers' Association Annual Meeting, Los Angeles, CA (June 2001)
6. The Basics of Filing a Claim for Reimbursement. Sponsored National Athletic Trainers' Association Annual Meeting, Baltimore, MD (June 1998)
5. Practical Rehabilitation of the Knee. Sponsored by American Physical Therapy Association Annual Combined Sections Meeting, Boston, MA (February 1998)
4. Clinical Examination of the Hand & Wrist. Sponsored by National Athletic Trainers' Association Annual Meeting, Salt Lake City, UT (June 1997)
3. Role of Allied Health Care Providers. Sponsored by National Athletic Trainers' Association Annual Meeting, Salt Lake City, UT (June 1997)
2. The Relationship of Athletic Trainers & Physical Therapist Assistants in the Clinical Setting. Sponsored by National Athletic Trainers' Association Annual Meeting, Orlando, FL (June 1996)

1. Evolution of the Clinical Athletic Trainer. National Athletic Trainers' Association Annual Meeting, New Orleans, LA (June 1991)

Invited Regional Presentations

45. Cannabis and the impact on athletic training. To be presented at the Far West Athletic Trainers' Association Annual Conference, to be held in Kona, HA (July 2020)
45. Risk Management for athletic training. To be presented at the Far West Athletic Trainers' Association Annual Conference, to be held in Kona, HA (July 2020)
44. Cannabis & The Athletic Trainer. To be presented at the Sunshine State Conference Annual Athletic Trainers' Meeting, to be held in Fort Lauderdale, FL (May 2020)
43. Cannabis and the athletic trainer. To be presented at the Mid-Atlantic Athletic Trainers' Association Conference, to be held in Charlotte, NC (April 2020)
42. Risk Management for the Athletic Trainer. Invited keynote presentation for the Jacksonville Sports Medicine Conference, to be held in Jacksonville, FL (April 2020)
41. Risk Management and legal issues for the athletic trainer. To be presented at the Mid-America Athletic Trainers' Association Conference, to be held in Omaha, NE (Mar 2020)
40. The Impact of cannabis in athletics: 2020. To be presented at the Mid-America Athletic Trainers' Association Conference, to be held in Omaha, NE (Mar 2020)
39. Cannabis and the athletic trainer working with athletes. To be presented at the South East Athletic Trainers' Association Conference, to be held in Atlanta, GA (Mar 2020)
38. Legal Perspectives: Cannabis. Invited presentation at the Exercise and Sport Science & Athletics Symposium held at Colby Sawyer College in New London, New Hampshire (March 2019)
37. Athletic Injuries to the Wrist and Hand. Presented at the New England Sports and Ortho Rehab Summit sponsored by Brown/University Orthopedics, held in Providence, RI (April 2016)
36. Avoiding The Witness Stand: How to Navigate Return to Play Dilemmas. Presented at the Central Connecticut State University Sports Medicine Symposium, New Britain, CT (March 2015)
35. Joint Biomechanics. Presented to Orthopaedic Residents at grand rounds, University of South Florida, Tampa FL (August 2010)
34. Muscle Strength Recovery Following Articular Cartilage Injury & Repair. Presented at "An Update on Orthopaedic Surgical Interventions: Impact on Rehabilitation", sponsored by ATSA, held in Tampa, FL (December 2009)
33. The SMART Injury Registry for High School Athletes: Findings from Year 2-2008/2009. Liller KD, Morris B, Konin JG, Jang S, Wong S, Thorson S. and the SMART ATC Team. Florida Injury Prevention Advisory Council Meeting, Tampa, FL (October 2009)
32. Evidence of ACL Injury Prevention Programs. Presented to Orthopaedic Residents at grand rounds, University of South Florida, Tampa, FL (September 2009)
31. Rehabilitation of the Lower Extremity. Presented to Orthopaedic Residents at grand rounds, University of South Florida, Tampa, FL (August 2008)
30. Rehabilitation of the Upper Extremity. Presented to Orthopaedic Residents at grand rounds, University of South Florida, Tampa, FL (January 2008)
29. Rehabilitation Principles. Presented to Orthopaedic Residents at grand rounds, University of South Florida, Tampa FL (August 2007)
28. Joint Biomechanics. Presented to Orthopaedic Residents at grand rounds, University of South Florida, Tampa, FL (July 2007)

27. Physical Therapy as a Profession. Presented to freshman health science majors at James Madison University, Harrisonburg, VA (2002, 2003, 2004, 2005)
26. Reimbursement in Athletic Training. Presented to graduate athletic training students at the University of Virginia, Charlottesville, VA (2002, 2003, 2004)
25. Therapeutic Modalities. Presented to occupational therapy students at James Madison University, Harrisonburg, VA (2001, 2002, 2003, 2004, 2005)
24. Assessment and Treatment of Spine Injuries. Presented to occupational therapy students at James Madison University, Harrisonburg, VA (2001, 2002, 2003, 2004)
23. Joint Mobilization Concepts and Techniques. Presented to occupational therapy students at James Madison University, Harrisonburg, VA (2001, 2002, 2003, 2004)
22. Role of the PTA & ATC in Clinical Settings. Sponsored by University of Maryland Eastern Shore Physical Therapy Program, Princess Anne, MD (March 1999)
21. Guideline for Establishing Criteria for Internet Evaluation. Celebrating Learning Conference for College Educators, Atlantic City, NJ (November 1997)
20. Interval Throwing Programs for Baseball Pitchers. The Shoulder Series Course Sponsored by Helix Healthcare, Baltimore, MD (March 1996)
19. Biomechanics of the Throwing Shoulder. The Shoulder Series Course Sponsored by Helix Healthcare, Baltimore, MD (March 1996)
18. Principles of Athletic Taping. Raymond Curtis Hand Center, Union Memorial Hospital, Baltimore, MD (June 1994)
17. Special Tests for the Shoulder. Chester County Orthopedic & Sports Medicine Center, West Chester, PA (April 1994)
16. Total Shoulder Rehabilitation. Medical Center of Princeton, Princeton, NJ (February 1994)
15. Elbow Rehabilitation for Throwing Athletes. University of Delaware Athletic Training Program, Newark, DE (September 1993)
14. Principles of Athletic Training. Graduate Hospital, Philadelphia, PA (August 1993)
13. Literature Update: Phonophoresis & Iontophoresis. St. Joseph Hospital, Reading, PA (February 1993)
12. Kinesiology of the Shoulder, Elbow & Hand. Delaware Tech PTA program, Wilmington, DE (May 1992)
11. Athletic Taping in the Physical Therapy Clinic. Delaware Tech PTA Program, Wilmington, DE (March 1992)
10. Hand & Wrist Injuries in Athletes. Pike Creek Sports Medicine Center, Wilmington, DE (December 1991)
9. Evaluation of the Knee. Pike Creek Sports Medicine Center, Wilmington, DE (June 1991)
8. The Implementation of Interval Throwing Programs. Pike Creek Sports Medicine Center, Wilmington, DE (June 1991)
7. The Use of Balloon Mediums with Ultrasound. Southeast Athletic Trainers' Association Therapeutic Modalities Symposium, Tuscaloosa, AL (February 1991)
6. Hand & Wrist Injuries in Baseball. HealthSouth Sportsmedicine, Birmingham, AL (December 1990)
5. Goniometric Measuring Techniques. HealthSouth Sportsmedicine, Birmingham, AL (November 1990)
4. Pathomechanics of the Shoulder. HealthSouth Sportsmedicine, Birmingham, AL (November 1990)
3. Functional Knee Bracing. American Sports Medicine Institute, Birmingham, AL (March 1990)
2. Bracing the Injured Knee. HealthSouth Sportsmedicine, Birmingham, AL (February 1990)
1. Role of the Athletic Trainer in the Clinical Setting. Fort Gordon Department of Physical Therapy, Augusta, GA (November 1989)

Invited State Presentations

26. Cannabis and athletics. To be presented at the Michigan Athletic Trainers' Association State conference, to be held in Lansing, MI (June 2020)
25. Cannabis as an intervention for patient care: Invited keynote presentation for the Athletic Trainers' Society of New Jersey (ATSNJ) to be held in Somerset, NJ (March 2020)
24. Cannabis 2020: The Impact on Physical Therapy. Invited keynote presentation for the Connecticut Physical Therapy Association Annual Conference held in Bridgeport, CT (Nov 2019)
23. Legal Case Studies. Invited lecture presented at the Athletic Trainers' Association of Florida Symposium, held in Orlando, Florida ((July 2019)
23. Cannabis: What you need to know. Invited presentation at the Louisiana State Athletic Trainers' Association Annual Meeting held in Thibodaux, Louisiana (May 2019)
22. Knee Ligament Stability Assessment. Invited lecture presented at the North Dakota State Athletic Training Association Meeting, held in Bismarck, North Dakota (April 2019)
21. Concussion and Marijuana: Are athletes, coaches, and clinicians prepared? Invited lecture presented at the North Dakota State Athletic Training Association Meeting, held in Bismarck, North Dakota (April 2019)
20. Youth Athlete Injuries. Invited lecture to be presented at the Nebraska Physical Therapy Associational Annual Meeting, held in Lincoln, NE (11 hours, October 2010)
19. Modifications to Commonly Performed Special Tests. Invited workshop for the Athletic Trainers' Society of New Jersey Annual State Meeting, held in Princeton, NJ (March 2010)
18. Practical Implementation of ACL Injury Prevention Programs. Invited workshop for the Athletic Trainers' Society of New Jersey Annual State Meeting, held in Princeton, NJ (March 2010)
17. Introduction to Diagnostic Musculoskeletal Ultrasound. Invited workshop for the Virginia Athletic Trainers' Association Annual Meeting, held in Charlottesville, VA (January 2010)
16. Functional Anatomy of the Hip as it relates to Differential Diagnosis. Invited presentation for the Virginia Athletic Trainers' Association Annual Meeting, held in Charlottesville, VA (January 2010)
15. Evidence of ACL Injury Prevention Programs. Invited presentation for the Florida Orthopaedic Society (FOS) Annual State Meeting, held in St. Petersburg, FL (May 2009)
14. Rehabilitation of the Spine. Invited presentation for the Athletic Trainers' Association of Florida (ATAF) Annual State Meeting, held in Orlando, FL (April 2008)
13. Patellofemoral Dysfunction: Diagnosis and Progression by Evidence. Invited presentation for the Florida Physical Therapy Association Spring Conference. Orlando, FL (4 hours, March 2007)
12. Reliability and Subjective Observations of Baseline Computer-Based Concussion Assessment Tools in Division I Student Athletes. Firebaugh S, Konin JG, invited presentation at Annual Virginia State Athletic Trainers' Association Meeting held in Williamsburg, VA (January 2006)
11. Diagnosis and Treatment of Lumbar Spine Pathology. Invited presentation at the Annual Family Practice Weekend and Sports Medicine Conference, held in Huntington, WV (November 13, 2005)
10. An Evidence-Based Approach to Treatment of Orthopedic-Related Hip Injuries. Invited presentation at the Virginia State Physical Therapy Annual Conference, Richmond, VA (6 hours, October 2004)
9. A Critical Analysis of Orthopaedic Special Tests. Invited presentation at the Annual Florida Physical Therapy Association Meeting, Orlando, FL (August 2003)
8. An Evidence-Based Approach to Treatment of Orthopaedic Hip Injuries. Invited presentation at the Annual Florida Physical Therapy Association Meeting, Orlando, FL (6 hours, August 2003)
7. Contemporary Approaches to Treating Sports Injuries of the Hip. Invited presentation at the Annual Florida Physical Therapy Association Meeting, Orlando, FL (August 2003)

6. Innovative Approaches for Facilitating Clinical Instruction. Konin JG, Fariss B, Kolar K, Thompson M. Virginia Athletic Trainers' Association Annual Meeting, Williamsburg, VA (January 2003)
5. Evaluation & Treatment of the Hand & Wrist for the Non-Hand Clinician. Sponsored by New York State Physical Therapy Association Annual Conference, Rochester, NY (8 hours, October 1999)
4. Clinical Assessment of the Shoulder. Sponsored by Oregon Physical Therapy Association, Portland, OR (12 hours, March 1999)
3. Treatment of Common Shoulder Pathology. Sponsored by New York State Physical Therapy Association Annual Conference, Westchester, NY (8 hours, October 1998)
2. Orthopedics & Sports Medicine Update for The PTA. Sponsored by Tennessee State Physical Therapy Association, Knoxville, TN (12 hours, May 1998)
1. Shoulder Data Collection Techniques for The PTA. Sponsored by Arkansas Physical Therapy Association, Little Rock, AR (6 hours, April 1998)

OTHER SCHOLARLY ACTIVITIES

Professional Development Courses Taught

88. Cannabis Healthcare Educator's Certificate. Sponsored by Louisiana Athletic Trainers' Association, held in New Orleans, LA (4 hours, Dec 2019)
87. Risk Management for the Athletic Trainer. Sponsored by Louisiana Athletic Trainers' Association, held in New Orleans, LA (4 hours, Dec 2019)
86. Cannabis: What every athletic trainer needs to know. Sponsored by Clover Enterprises, held in Riverside, CA (July 2019)
85. Vestibular Rehabilitation & Concussion Certification Workshop. Co-taught and Sponsored by the American Institute of Balance, held in Kansas City, MO (25.5 hours, December 2019)
84. Post-Concussion Certification Workshop. Co-taught and sponsored by the American Institute of Balance, held in Michigan City, Indiana (19.5 hours, March 2019)
83. Vestibular Rehabilitation & Concussion Certification Workshop. Co-taught and Sponsored by the American Institute of Balance, held in Largo, FL (25.5 hours, March 2019)
82. Sport Concussion Certification Workshop. Co-taught and Sponsored by the American Institute of Balance, held in Largo, FL (19.5 hours, February 2019)
81. Vestibular Rehabilitation & Concussion Certification Workshop. Co-taught and Sponsored by the American Institute of Balance, held in Largo, FL (25.5 hours, November 2018)
80. Vestibular Rehabilitation & Concussion Certification Workshop. Co-taught and Sponsored by the American Institute of Balance, held in Mesa, Arizona (25.5 hours, September 2018)
79. Vestibular Rehabilitation & Concussion Certification Workshop. Co-taught and Sponsored by the American Institute of Balance, held in Red bank, New Jersey (25.5 hours, March 2018)
78. Contemporary Topics in Sports Medicine. Sponsored by North Iowa Area Community College, in Mason City, Iowa (5.5 hours, November 2015)
77. Injuries in Youth Sports: Assessment and Treatment of Orthopaedic Injuries to the Young Athlete. Sponsored by PESI, in Palo Alto, CA (6 hours, October 2015)
76. Injuries in Youth Sports: Assessment and Treatment of Orthopaedic Injuries to the Young Athlete. Sponsored by PESI, in Oakland, CA (6 hours, October 2015)
75. Injuries in Youth Sports: Assessment and Treatment of Orthopaedic Injuries to the Young Athlete. Sponsored by PESI, in Sacramento, CA (6 hours, October 2015)

74. Treatment of the Young Athlete. Sponsored by Education Resources Inc., presented at Memorial Hospital West, in Miramar, FL (12 hours, April 2012)
73. Treatment of the Young Athlete. Sponsored by Education Resources Inc., presented at Staten Island University Hospital, in Staten Island, NY (12 hours, January 2012)
72. Treatment of the Young Athlete. Sponsored by Medical Educational Services Professional Development Network Inc., presented in Jacksonville, FL (7 hours, January 2010)
71. Treatment of the Young Athlete. Sponsored by Medical Educational Services Professional Development Network Inc., presented in New York, NY (7 hours, December 2009)
70. Treatment of the Young Athlete. Sponsored by Medical Educational Services Professional Development Network Inc., presented in Atlanta, GA (7 hours, November 2009)
69. Treatment of the Young Athlete. Sponsored by Medical Educational Services Professional Development Network Inc., presented in Boston, MA (7 hours, October 2009)
68. Treatment of the Young Athlete. Sponsored by Summit Physical Medicine & Rehabilitation, presented at Chambersburg Hospital in Chambersburg, PA (12 hours, March 2009)
67. Treatment of the Young Athlete. Sponsored by Medical Educational Services Professional Development Network Inc., presented in Madison, WI (7 hours, March 2009)
66. Treatment of the Young Athlete. Sponsored by Medical Educational Services Professional Development Network Inc., presented in Minneapolis, MN (7 hours, March 2009)
65. Treatment of the Young Athlete. Sponsored by Medical Educational Services Professional Development Network Inc., presented in Fargo, ND (7 hours, March 2009)
64. Treatment of the Young Athlete. Sponsored by Education Resources Inc., presented at the Institute of Living, Hartford, CT (12 hours, March 2009)
63. Treatment of the Young Athlete. Sponsored by Education Resources Inc., presented at Capital Health System, Hamilton, NJ (12 hours, February 2009)
62. Treatment of the Young Athlete. Sponsored by Education Resources Inc., presented at St. Luke's Rehabilitation Institute in Spokane, WA (12 hours, January 2009)
61. Treatment of the Young Athlete. Sponsored by Education Resources Inc., Presented at Baptist Hospital in Miami, FL (12 hours, July 2008)
60. Treatment of the Young Athlete. Sponsored by Education Resources Inc., Presented at Rady Children's Hospital in San Diego, CA (12 hours, May 2008)
59. Treatment of the Young Athlete. Sponsored by Education Resources Inc., Presented in Philadelphia, PA (12 hours, May 2008)
58. Treatment of the Young Athlete. Sponsored by Education Resources, Inc., Presented at University of Connecticut Children's Hospital, Hartford, CT (12 hours, March 2008)
57. Treatment of the Young Athlete. Sponsored by Education Resources, Inc., Presented at Good Samaritan's Health & Wellness Center in Chicago, IL (12 hours, February 2008)
56. Treatment of the Young Athlete. Sponsored by Education Resources, Inc., Presented at Texas Children's Hospital in Houston, TX (12 hours, January 2008)
55. Lower Extremity Injuries in Youth Sports. Invited presentation sponsored by Valley Care Physical Therapy & Sports Medicine, San Ramon, CA (13 hours, July 2007)
54. Treatment of the Young Athlete. Sponsored by Education Resources, Inc. Presented at Manatee Memorial Hospital in Bradenton, FL (12 hours, July 2007)
53. Treatment of the Young Athlete. Sponsored by Education Resources, Inc. presented in Manchester, NH (12 hours, May 2007)
52. Evidence Based Sports Medicine. Sponsored by Education Resources, Inc. presented in Boston, MA (12 hours, April 2007)
51. Evidence Based Sports Medicine. Sponsored by Education Resources, Inc. presented in Danbury, CT (12 hours, April 2007)

50. Treatment of the Young Athlete. Sponsored by Education Resources, Inc. Presented in Scranton, PA (12 hours, March 2007)
49. Treatment of the Young Athlete. Sponsored by Education Resources, Inc. Presented in Chicago, IL (12 hours, February 2007)
48. An Evidence-Based Approach to Treatment of Orthopaedic Hip Injuries. Sponsored by Allegany College, Cumberland, MD (6 hours, October 2006)
47. Evidence Based Sports Medicine. Presented at University of Pennsylvania Hospital, sponsored by Education Resources, Inc., Philadelphia, PA (12 hours, July 2006)
46. Evidence Based Sports Medicine. Sponsored by Education Resources, Inc., Dallas, TX (12 hours, May 2006)
45. Clinical Observation and Treatment of the Hip. Sponsored by Care Resources, Baltimore, MD (12 hours, July 2003)
44. Athletic Training: A Colloquium of Ideas. Co-presented with HK Amato, sponsored by Scholarly Solutions, Harrisonburg, VA (11 hours, March 2003)
43. Evaluation and Treatment of Orthopedic Hand Injuries. Sponsored by Greenville Tech, Greenville, SC (7 hours, February 2003)
42. Clinical Observation and Treatment of the Shoulder. Sponsored by Care Resources, Baltimore, MD, (12 hours, November 2002)
41. Current Trends in Athletic Training Reimbursement. Sponsored by James Madison University and the National Athletic Trainers' Association, delivered on-line format (6 hours, June – July 2002)
40. Clinical Observation and Treatment of the Knee. Sponsored by Care resources, Baltimore, MD (12 hours, April 2002)
39. Differential Diagnosis & Rehabilitation of the Knee. Sponsored by Education Resources, Hartford, CT, (14 hours, April 2002)
38. Evaluation & Treatment of Orthopedic Hand Injuries. Sponsored by Greenville Tech, Greenville, SC (6 hours, February 2002)
37. Clinical Assessment of the Shoulder. Sponsored by Care Resources, Baltimore, MD (12 hours, November 2001)
36. Current Trends of Shoulder & Knee Rehabilitation. Sponsored by Indian River Community College, Fort Pierce, FL (12 hours, October 2001)
35. Differential Diagnosis & Rehabilitation of the Knee. Sponsored by Education Resources, White Plains, NY (14 hours, April 2000)
34. Differential Diagnosis & Rehabilitation of the Knee. Sponsored by Education Resources, Baltimore, MD (14 hours, March 2000)
33. Joint Mobilization. Sponsored by Care Resources, Baltimore, MD (12 hours, March 2000)
32. Differential Diagnosis & Rehabilitation of the Knee. Sponsored by Education Resources, Del Ray Beach, FL (14 hours, January 2000)
31. Joint Mobilization. Sponsored by St. Charles Rehabilitation Network, Patchogue, NY (12 hours, December 1999)
30. Clinical Assessment & Treatment of the Shoulder Complex. Sponsored by Care Resources, Baltimore, MD (12 hours, November 1999)
29. Evaluation of the Complex Shoulder. Sponsored by John Randolph Medical Center, Richmond, VA (6 hours, November 1999)
28. Clinical Evaluation of the Hip & Knee. Sponsored by Beebe Medical Center, Lewes, DE (4 hours, November 1999)
27. Joint Mobilization. Sponsored by Greenville Technical College, Greenville, SC (12 hours, April 1999)
26. Joint Mobilization. Sponsored by Indian River Community College, Ft. Pierce, FL (12 hours, April 1999)

25. Joint Mobilization. Sponsored by CARE Resources, Baltimore, MD (12 hours, March 1999)
24. Joint Mobilization. Sponsored by East West Seminars, Beverly Hills, CA (12 hours, February 1999)
23. Joint Mobilization of the Extremities. Sponsored by Continuing Education Network, Richmond, VA (12 hours, November 1998)
22. Special Tests for Orthopedic Examination. Sponsored by ConEdEx, Ontario, CA (12 hours, November 1998)
21. Special Tests for Orthopedic Examination. Sponsored by Concorde Therapy Group, Canton OH (12 hours, October 1998)
20. Joint Mobilization. Sponsored by CARE Resources, Baltimore, MD (12 hours, October 1998)
19. Special Tests for Orthopedic Examination. Sponsored by Continuing Education Network, Philadelphia, PA (12 hours, August 1998)
18. Clinical Assessment of the Knee & Shoulder. Sponsored by Jefferson Health Systems, Bryn Mawr, PA (12 hours, July 1998)
17. Joint Mobilization for the PTA. Sponsored by Continuing Education Network, Williamsburg, VA (12 hours, June 1998)
16. Joint Mobilization for The PTA. Sponsored by Continuing Education Network, Williamsburg, VA (12 hours, March 1998)
15. Joint Mobilization for The PTA. Sponsored by Continuing Education Network, Del Ray Beach, FL (12 hours, February 1998)
14. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Baker College, Flint, MI (12 hours, March 1997)
13. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, San Francisco, CA (12 hours, September 1996)
12. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, Dallas, TX (12 hours, September 1996)
11. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, Chicago, IL (12 hours, June 1996)
10. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, New Orleans, LA (12 hours, May 1996)
9. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, Boston, MA (12 hours, April 1996)
8. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, Nashville, TN (12 hours, April 1996)
7. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, Long Island, NY (12 hours, October 1995)
6. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, Georgetown, DE (12 hours, September 1995)
5. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, Williamsburg, VA (12 hours, August 1995)
4. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, Philadelphia, PA (12 hours, August 1995)
3. Advanced Topics in Orthopedics & Sports Medicine for The PTA. Sponsored by Coastal Health Consultants, Minneapolis, MN (12 hours, July 1995)
2. Physical Therapy & the Law. Sponsored by Coastal Health Consultants, Wilmington, DE (February 1995)
1. Shoulder Evaluation Laboratory. Challenge of the Shoulder Rehabilitation Course, Virginia Beach, VA (May 1990)

Research Grants and Activity – totaling \$12, 676, 503

32. The Future of Cannabis in Sport Rehabilitation: Is there a role? NATA International Speaker Program Grant funded for \$1,700.00 to present in Dusseldorf, Germany at the 2019 Medica Medicine & Sports Medicine Conference.

31. The Effects of a Wearable Exercise Device on Musculoskeletal Characteristics. JG Konin (Co-PI) and P Blanpied (Co-PI). Rhode Island Innovation Initiative, \$50,000 funded. 2017.
30. Using Admissions Criteria to Identify Predictors of Success for Physical Therapy Doctoral Students. JG Konin (Co-PI) and S Roush (Co-PI) Submitted to the Office for The Advancement of Teaching & Learning, University of Rhode Island, \$1,500.00, unfunded.
29. Examining the Connection Between Movement and Learning: Building a Kinesthetic Classroom at a Local Elementary School. Rhode Island Collaborative for Inter-Professional Education and Practice Grant Submission. ED Clapham (PI), M Flippin, JG Konin, \$4987.74, 2017, unfunded.
28. University of Rhode Island Enhancement of Graduate Research Grant. JG Konin (Faculty Supervisor). Submitted to the URI Graduate School. "The Extent of Sport-Concussion Related Content Delivered in Academic Health Curriculums in the United States." Catlow C, Johnson K, McCarthy T, Kushner S. \$1,000, unfunded.
27. CareLink Real Jobs Grant, Physical Therapy Advisor, 2015 -, funded by the State of Rhode Island. Grant Collaborator, \$232,125.
26. University of Rhode Island Faculty Project Completion Grant Proposal. JG Konin (PI). Submitted to the University of Rhode Island Research Committee, 2015, unfunded.
25. University of Rhode Island Multicultural Faculty Fellowship Grant Proposal. JG Konin (PI). Submitted to the University of Rhode Island Diversity Committee, 2015, unfunded.
24. University of Rhode Island Multicultural Faculty Fellowship Grant Proposal. JG Konin (PI). Submitted to the University of Rhode Island Diversity Committee, 2014, unfunded.
23. Sports Medicine and Athletic Related Trauma (SMART) Institute. JG Konin, Executive Director and Administrator. Awarded \$3.0 million annual (\$602,981 non-recurring) funded appropriations by the State of Florida Legislature (Education & General Fund), 2006 – 2012, total award during this timeframe \$12,588,076 million.
22. Development of a Statewide Sportsmanship Program for Youth Ice Hockey. JG Konin (PI). Awarded \$2500.00 by the State Amateur Hockey Association of Florida, 2010.
21. Promotion of sportsmanship and sports safety in youth hockey. JG Konin (PI). Submitted to the Tampa Bay Lightning Professional Hockey Club, funded for undetermined amount of sponsorship trade money to allow for statewide distribution of print material to all registered USA Hockey youth players, 2010.
20. A creative curriculum and learning design to teach diabetes education to high school students. JG Konin (PI), K Liller, M Pescasio, G King. Submitted to the Bringing Home Science Program and the Patterson Foundation for \$73,899.30, 2010, unfunded.
19. Sickle Cell Disease Educational Initiative for Athletes. JG Konin (PI), G Del Rossi (Co-PI) submitted to the National Athletic Trainers' Association Ethnic Diversity Advisory Committee (EDAC) for \$7,500.00, 2010, funded for \$3,875.00.
18. Youth Hockey Retention Program – Sports Safety, Performance & Sportsmanship. JG Konin (PI). Awarded \$2500.00 by the State Amateur Hockey Association of Florida, 2009.
17. Core Temperature Changes in Male and Female Soccer Players Exercising in the Heat. E Coris (PI), JG Konin, B Morris, M Pescasio, A Suffocool, M Pescasio, S Mehra. Approved through University of South Florida Institutional Review Board, unfunded, 2008.
16. Certified Athletic Trainer AED Knowledge and Awareness. JG Konin (PI), G Del Rossi, D Drezner, E Coris. Approved through University of South Florida Institutional Review Board, \$2,000 funded by the Sports Medicine & Athletic Related Trauma Institute, 2008.
15. SMART Injury Registry. K Liller (PI), JG Konin, BJ Morris, approved through University of South Florida Institutional Review Board for Human Subjects, funded \$88,978 in 2007, \$88,978 in 2008, \$88,978 in 2009, \$80,000 for 2010 – 2011, and \$75,000 for 2011 – 2012.

14. Establishing Reliability for Musculoskeletal Ultrasound of the Elbow. CC Nofsinger (CoPI), JG Konin (Co-PI), approved through University of South Florida Institutional Review Board for Human Subjects, unfunded, 2008.
13. Pre-participation Cardiac Screening Survey. E Coris (PI), JG Konin, M Pescasio, A Curtis, approved through University of South Florida Institutional Review Board for Human Subjects, unfunded, 2008.
12. Florida High School Football Medical Coverage Survey. JG Konin (PI), BJ Morris. Approved through University of South Florida Institutional Review Board for Human Subjects, funded \$2,000 by the Sports Medicine & Athletic Related Trauma Institute, 2008.
11. A comparison of skill acquisition and skill retention between standard CPR and compressions-only CPR. Del Rossi, G (PI), Konin, JG, Vanguri, PR. Source: Laerdal Foundation for Acute Medicine, Stavanger, Norway, unfunded: \$22,157.00; April 2008.
10. Validation of the current CPR rescue protocol for athletes wearing protective equipment: Are modifications to the protocol warranted? Del Rossi, G (PI), Konin, JG, Vanguri, PR, Courson, R. National Collegiate Athletic Association, Indianapolis, IN. Funded for: \$16,170.00; May 2008.
9. Evaluating CPR delivery by certified athletic trainers: Does immediate feedback improve performance? Del Rossi G (PI), Vanguri P, Konin JG. Proposal to Southeast Athletic Trainers' Association, February 2008 for \$2,000, not funded.
8. International Travel Grant. Konin JG (PI). Awarded to present at the Rehabilitation of Winter and Mountain Sports Injuries International Congress in Turin, Italy April 2006, awarded \$1,000.
7. Effectiveness of A Crisis Intervention Program Implemented for Student Athletes at a Division I Intercollegiate Athletic Program." Konin JG (PI), Carter C, Brugger B. Pre-proposal accepted, full proposal submitted) to NATA Research & Education Foundation designed to assess the outcomes of intervention, January 2006 for \$16,281, not funded.
6. Young Professional's Leadership Program. Konin JG (PI). Pre-proposal accepted, full proposal not accepted by NATA Research & Education Foundation, designed to formally mentor newly certified athletic trainers in professional leadership skills, December, 2005, for \$17, 840, not funded.
5. Development of a Standardized Tool to Assess the Safety of Little League Baseball Fields. Konin JG (PI). Pre-proposal accepted by the NATA Research and Education Foundation designed to develop a common reliable and valid tool for baseball field safety, 2005.
4. Appropriate Medical Coverage by Certified Athletic Trainers for Youth Sports Camps. Konin JG (PI). Pre-proposal accepted, by NATA Research and Education Foundation designed to assess the safest and most appropriate athletic training coverage for youth sports camps. Full proposal not submitted, November 2005.
3. Enhancing Ethnic Diversity in the Athletic Training Profession. Konin JG (PI). Awarded \$950.00 by the Ethnic Diversity Advisory Council of the National Athletic Trainers' Association, 2003.
2. Athletic Training Reimbursement Education. Konin JG (PI). JMU mGrant awarded \$2,500 to develop distance education course for athletic training educators, 2002.
1. Current Trends in Athletic Training Reimbursement. Konin JG (PI). Funding awarded \$3,000 from National Athletic Trainers' Association to offer distance education course to athletic training educators, 2002.

Student Research Advisement

28. Movement Analysis of Sports-Related Hip and Groin Pain. Doctoral dissertation candidate, David Clancy. Dissertation committee member at Royal College of Surgeons Ireland (RCSI), 2018 – present.
27. The Detection of Cognitive Change: Examination of Potential Approaches for Improving the Accuracy of Immediate Postconcussion Assessment Cognitive Testing (ImPACT), Doctoral dissertation candidate, Chad Gaudet. Dissertation committee member at University of Rhode Island, 2016 – present.
26. Self-rated Compliance and Severity of Concussion. Principal Investigator and supervisor to DPT students at University of Rhode Island, 2016 – present. C Chin, N Lessard, S McMullen.
25. Establishing Performance Profiles in Youth Ice Hockey Players. Principal Investigator and supervisor to DPT students at University of Rhode Island, 2016 – present. C MacDonald, J Ponte, P Tarrant, C Valente.
24. The Extent of Sport-Concussion Related Content Delivered in Academic Health Curriculums in the United States. Principal Investigator and supervisor to DPT students at University of Rhode Island, 2016 – present. C Caslow, C Gaudet (PhDc Psychology), K Johnson, S Kushner.
23. Effect of External Noise on Neurocognitive Testing. Principal Investigator and supervisor to DPT students at University of Rhode Island, 2015 – 2016. D Santaniello, M Donnelly, K Cleverdon, A Luckhardt, B Boyle, T Ramos, J Konin. Presented at the 10th Annual University of Rhode Island Graduate Student Conference, Kingston, RI, April 2016.
22. National Scouting Combine scores as performance predictors in the National Football League. Doctoral dissertation committee member University of Rhode Island, Lisa Vincent-Horta, 2014 – present.
21. Concussion Knowledge of Youth Ice Hockey Parents in Rhode Island. Delaney Horsley. Platform presentation, at the 3rd Annual Research Night for the College of Human Science and Services, URI, 2015.
20. Assessing Body Composition Post Musculoskeletal Injury. Kristen Cavaco, Melleny Lipka, University of Rhode Island Doctoral Evidence Based Research Study, 2013 – 2015. Platform presentation, “Case Study: Effects of an ACL Tear in a College Athlete on Body Composition” at the 3rd Annual Research Night for the College of Human Science and Services, URI, 2015.
19. A systematic review on the effectiveness of creatine supplementation in reducing muscle fatigue and oxidative stress. Brian Skvarch, University of South Florida, Master’s Thesis committee member, 2013 – present.
18. Relationship between coach related factors and injury outcomes among high school athletes. Si-Won Jang, University of South Florida, doctoral dissertation committee member, 2009 – 2013.
17. Incidence of volleyball injuries in female high school athletes. Katlin Yasher, undergraduate honors thesis supervisor, 2010 – 2011. Accepted presentations at International conference, USF Health Research Day, and National Undergraduate Research Symposium.
16. Effects of Chocolate Milk on Post-game Recovery for Ice Hockey Players. Allyson Hansen. Graduate independent study, University of South Florida, advisor, 2010 – 2011.
15. Awareness of Concussions Amongst Youth Ice Hockey Players and Parents. Alexis Mungo. Undergraduate honors thesis, University of South Florida, committee chair, 2010 – 2011.
14. Critical Analysis of Ankle Alphabet Exercises. Katie Cardinal and Vivek Parikh, undergraduate independent study, University of South Florida, advisor, 2009 – 2010. Nominated for national undergraduate research award.
13. Relationship between Back-to-back Games in the NHL on Overall Team Performance. Austin Witnauer & Steve Ruhmel, undergraduate independent study, University of South Florida, advisor, 2009 – 2010.

12. Body Mass Index Changes in Youth Hockey Players as a Result of In-Season Conditioning. Ricky Patel & Rakesh Sowri, undergraduate honors thesis, University of South Florida, committee chair, 2009 – 2010.
11. Anatomical Positioning of the Vastus Medialis Muscle. Zane Thompson, undergraduate honors project, University of South Florida, Committee Chair, 2009 – 2010.
10. Athletic Trainer Knowledge of AED usage in Environmentally Challenging Circumstances. Tristen Webb, Independent study, University of South Florida, advisor, 2009.
9. Awareness of AED's Among High School Student Athletes. Justin Price, Independent study, University of South Florida, advisor, 2009.
8. Ankle Injuries in Female Gymnasts. Samantha Schooley, undergraduate honors project, University of South Florida, Committee Chair, 2009.
7. What are the Causes and Symptoms of Sudden Cardiac Death in High School Athletes? Matthew Verneer, undergraduate honors project, University of South Florida, Committee Chair, 2009.
6. The Athletic Trainer as a Modern Shaman in American Athletics. Daniel MacLea, undergraduate thesis, University of South Florida, Committee Member, 2008.
5. Computerized Dynamic Posturography Test Result Dependence on Type of Subject Athletic Activity. Carol Vaudrey, Doctoral Dissertation, James Madison University, Committee Member, 2006. American Academy of Audiology 2004 Research Award Recipient.
4. The relationship between an individual's level of spirituality (high-low) and the risks (risk behaviors) that they take. Natalie Cavadini, James Madison University Honors Program, Thesis Committee Member, 2006.
3. The correlation between arm and hip range of motion in throwers. Shannon Poplstein, James Madison University Honors Program, Thesis Advisor, 2006.
2. Systematic review of the effectiveness of therapeutic ultrasound in physical therapy. Melissa Hull, James Madison University Honors Program, Thesis advisor, 2006.
1. Inconsistency in educational competencies: A critical analysis of contrast therapy. Maura McGovern, James Madison University Honors Program, 2002. National Athletic Training Association Student Writing Award Winner.

PROFESSIONAL/ACADEMIC CONSULTATIONS

30. SunFlora/SunMed. Advisory role for educational resources and industry trends (2019 -)
29. Isokinetic Congress/FIFA Center of Excellence. Faculty, Judge for Best Case Report, Barcelona, Spain in 2018, Wembley London, England in 2019.
