**SERVICE**

22. Barry University Advisory Committee

The Advisory Committee reviews the mission, philosophy, performance, and strategic plan of the Program in light of changes in the health care industry and society at large. In doing so, the Advisory Committee reviews published materials documenting such changes to ensure accuracy and ethical integrity.

The Advisory Committee also serves as a channel of communication among and between the Faculty, Program Administration, the University, Students, and the Program's community of interest.

23. Advanced Nurse Practice Counsel, UHealth Tower

Collaboration with ARNPs within all areas of the hospital. Discuss current practice and license changes within UHealth Tower. Facilitate data to CRNAs within department.

24. Administrative Responsibilities

Student Clinical Coordinator/ Part Time Clinical Faculty UHeath Tower

Select and assign appropriate clinical experiences for junior and senior SRNAs. Prepare and deliver clinical case-based lectures and facilitate clinical case debriefing with CRNAs and SRNAs. Collaborate with the Chief Anesthesiologist and anesthesia leadership team to facilitate the provision of positive learning environments for SRNAs by continuing staff education on preceptorship and mentoring Doctorate SRNAs. These efforts have led to very high student satisfaction evaluations of the clinical site, including recruitment and retention as full time CRNAs of 6 of the most recently-graduated students. DNP SRNAs are also encouraged to explore possible DNP scholarly projects to the clinical site. Collaborate with Sylvester Cancer Center to provide clinical experiences that foster acquisition of new clinical skills and evidence-based practice of anesthesia care. Timely review of the students' clinical evaluations and Typhon case-entry as well as counseling students for clinical skills improvement and interpersonal relations and professionalism within the clinical environment. Collaboration with the SONHS for

airway rotation for Acute Care ARNP students. Liaison between Anesthesiology Dept. and SONHS.

25. Lead CRNA UHealth Tower and Sylvester Cancer Center.

Responsible for supervision of 47 Full Time CRNAs and 33 Per Diem CRNAs. Duties include recruitment, hiring, interviews, scheduling, yearly performance evaluations, conflict resolution, and staff development. Daily management of CRNA scheduling for UHealth Tower and Sylvester Cancer Center. Collaboration with departments to improve relations and provide safe anesthesia coverage throughout both hospitals.

26. Community Service
